1- Define the Problem Statement

Can you help
write a
problem
statement

HMWExplains

“HMW create a new and differentiated experience for basketball fans of our team so that they can interact with each other during game day in realtime.”

Before

2- Define the outcomes?

What does success look like at the end of the meeting?

We have many new ideas generated for a differentiated fan experience.

That these ideas have been prioritized

Problem Statement

"HMW create a new and differentiated experience for basketball fans of our team so that they can interact with each other during game day in realtime."

Outcomes

We have many members generate for a differentiated fan experience.

That these ideas have been prioritized

WORKING AGREEMENT

OUR AGREEMENT

1. One Conversation Only
2. No [other] devices
3. Take care of yourself
4. Everything is time boxed
5. Start and End in Time

Technique: Yellow Card

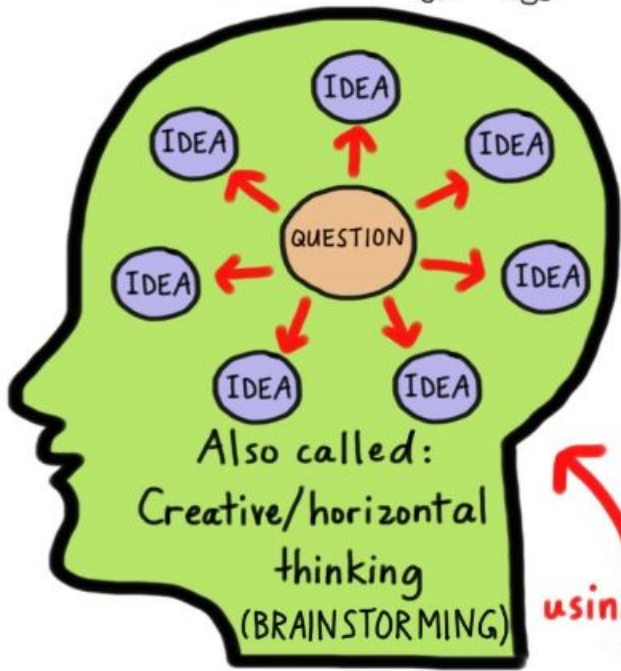

Designing the experience

Modes of Thinking

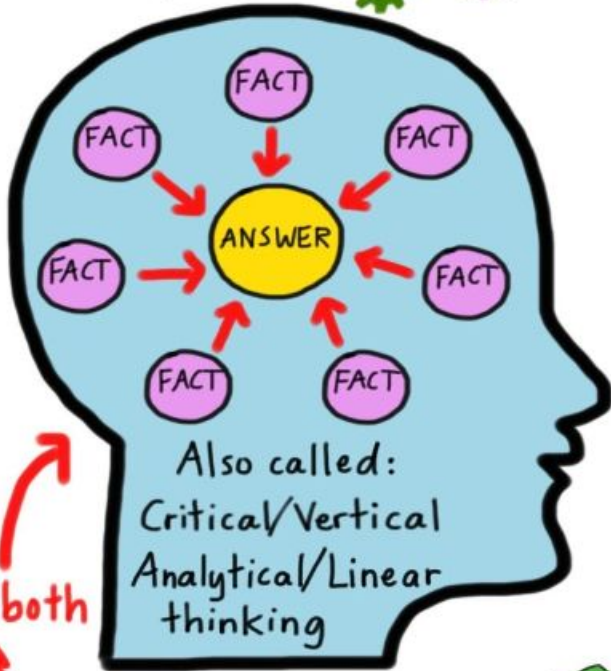

Divergent Thinking

Using imagination 

Convergent Thinking

Using logic 

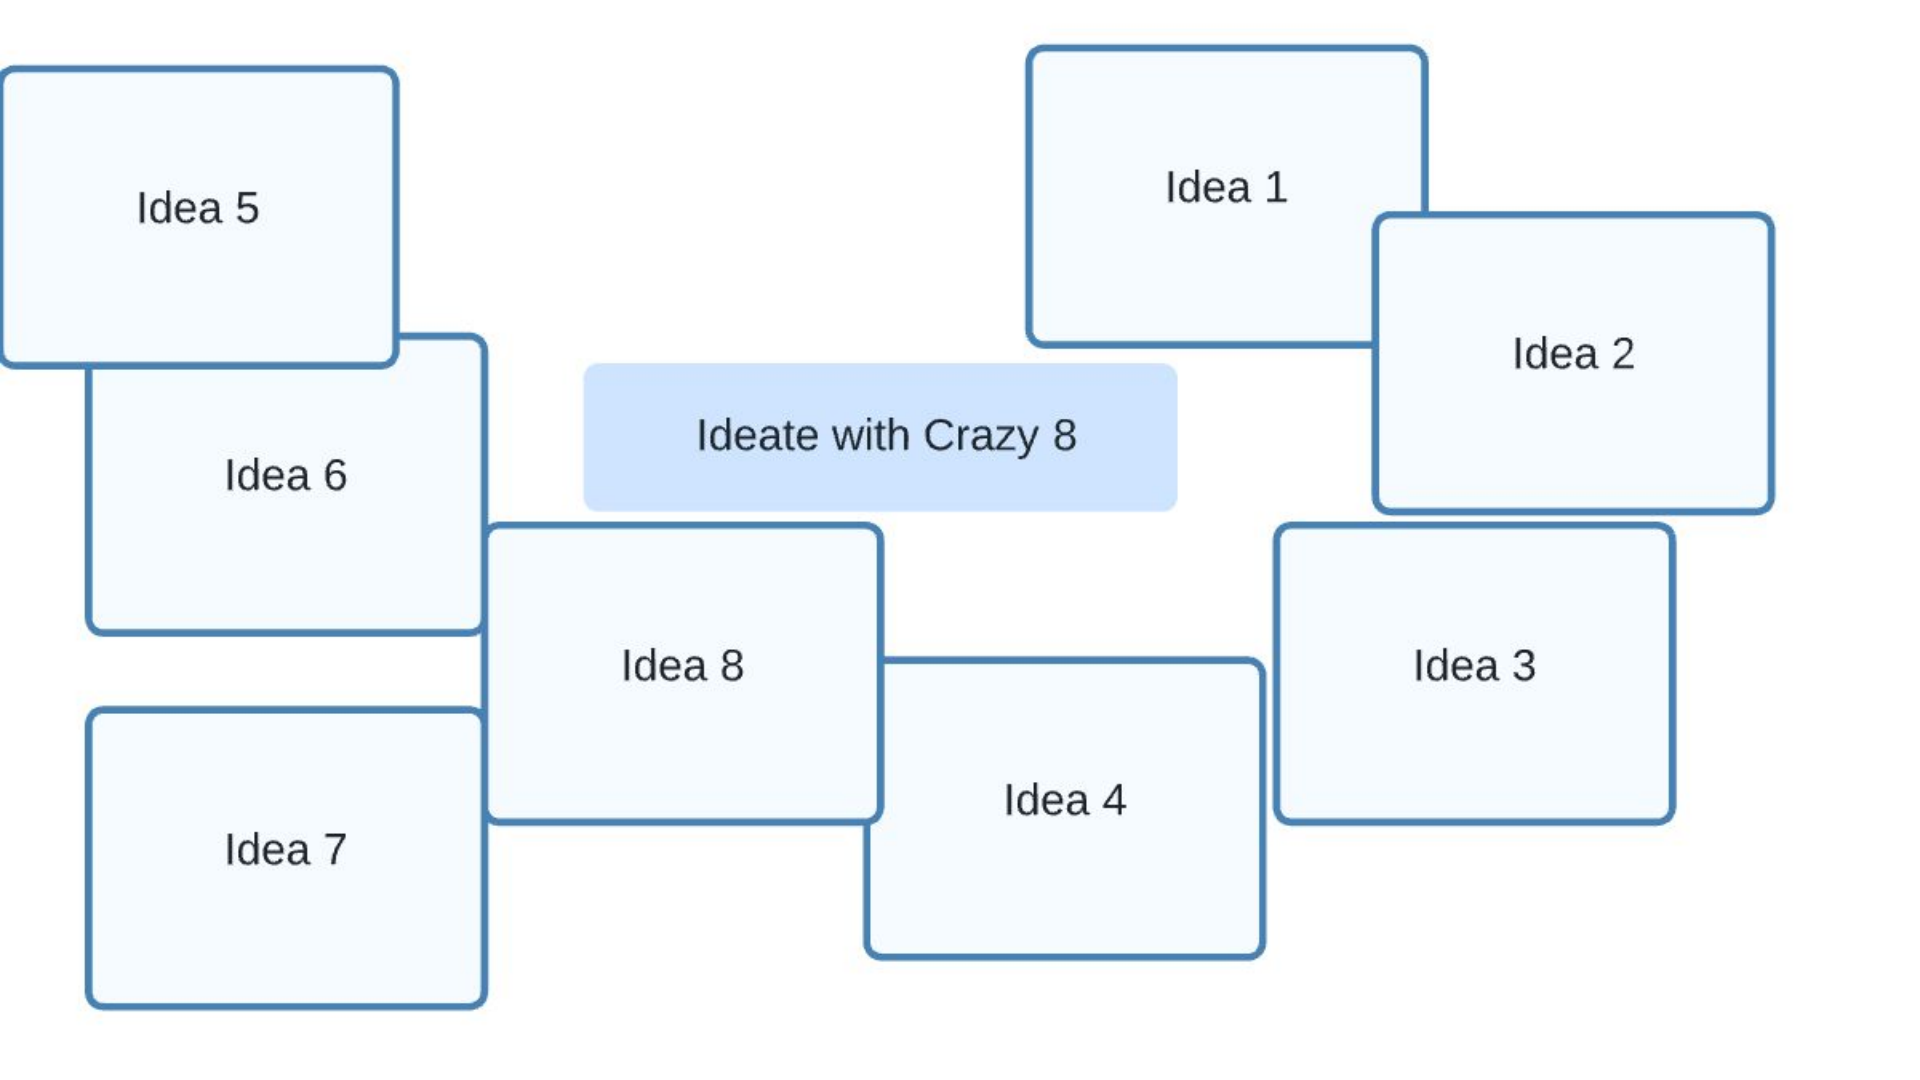

using both

Lateral Thinking: Thinking "Outside the box"
